*Continuare a stupire.
Garantire ancora e ancora comfort, qualità,
raffinatezza e unicità.
La Collezione 2023 nasce per portare sempre avanti
la nostra visione, le nostre capacità progettuali,
i nostri arredi e la voglia che ci contraddistingue
di affrontare ogni sfida. E questo Salone ci dà la
possibilità di esprimere al meglio questi nostri valori.*

*Presentiamo spazi e atmosfere articolate, in cui è
possibile vivere l'esperienza abitativa Emmemobili.
Piacevolezza e accoglienza sono sensazioni che
vengono trasferite attraverso la cura nei dettagli,
attraverso il mix materico e i bilanciamenti tra forme
e volumi che si alternano nello spazio in maniera
misurata e dosata.*

*E in questo contesto i nostri corpi luce fanno da fil
rouge, completando gli ambienti Living e Dining in
maniera raffinata e unica.*

*Continue to amaze.
Ensure comfort, quality, refinement, and uniqueness
again and again.
The Collection 2023 was born to carry forward our
vision, design capacities, furnishings, and our desire
to face every challenge that defines us. And this
Salone gives us the possibility to express our values
in the best way possible.*

*We present spaces and well-structured atmospheres,
where it is possible to live the house experience
of Emmemobili. Pleasantness and welcome are
sensations, that are transferred through the attention
to details, the material combination and through the
balance between shapes and volumes, that alternate
in the space in a measured manner.*

*And in this context, our lighting objects are the
leitmotiv, completing the Living and Dining spaces in
a refined and unique way.*

*Spazi, importanti seppur morbidi e accoglienti.
Ogni pezzo è scelto con cura, affinché riesca a vivere in tutta la sua
forza come protagonista indiscusso dell'ambiente.*

Large spaces, important yet soft and welcoming.
Every piece is carefully chosen so that it can live in all its strength as
the undisputed star of the room.

Materiali ricercati e finiture dal carattere incisivo che riescono, in armonia con lo spazio, a creare sensazioni uniche.

Refined materials and finishes of incisive character, in harmony with the space, to create unique feelings.
